St. Eanswythe's Church—to be demolished on Nov. 10.

## St. Eanswythe's Last Service in the Old Church

The old Church of St. Eanswythe's in Queen Street, Altona, is to be demolished—a new church building will arise.

The final services in the old church will be held on Sunday, November 9. This episode in the continuing life of the Anglican Church will no doubt have poignant interest to many who have worshipped in the church over so many years.

On the last day the Vicar, the Rev. John Lawley, will celebrate and preach at 8 a.m. Holy Communion. He will celebrate the last Holy Communion in this church at 9.30 a.m., but the Rev. John Walton, Vicar from 1959-62 will preach the last sermon and the Gospel will be read by the Rev. Ronald Adams, Vicar of Newport and Altona from 1952-56.

Past clergy and parishioners have been invited to attend and a morning tea will be served in the Parish Hall after the service.

Demolition of the old church will commence the next morning.

Thereafter services will be held in the Salvation Army Hall, across the road from the present church.

St. Eanswythe's have been granted use of the hall prior to 10.45 a.m. Accordingly one service will be held each Sunday at 9 a.m. commencing on Sunday, November 16.

If numbers make it necessary an early morning service at 7.30 a.m. may be added.

Sunday School will continue uninterrupted for this year in the Parish Hall and the Homestead, but from November 16 will start at 9 a.m., the same time as the church service.

The first sod in the building of the new Anglican centre will be turned by Bishop Dann after the service.

vice in the Salvation Army Hall on November 16. This will probably take place at about 10.15 a.m.

It is the custom for parishioners to line the proposed wall line as the first sod is turned, symbolising that they—the parishioners—are the church and the building is no more than an expression of their need to meet together.

## Flag Raising Ceremony at A.W.M.C.

Eight foundation members of the Altona Working Men's Club were at the first flag raising ceremony on Sunday at the newly erected poles outside the club building. The function coincided with the club's tenth anniversary.

The eight original members were Peter Artis, Alan Raynor, Stan Clough, Bill McKenzie, Jack Edginton, Jim Grierson, Stan Rowe and Bill Spence. Three others living locally, David Boyd, Frank Cahill and Bert Ford, were unable to attend. The twelfth foundation member, Ivan Northage, now lives in Brisbane.

Pictured at the ceremony beside the new bowling green are—**FOREGROUND** (left to right): Austin Molloy (president of the "Green" Bowls Section), Bernie Jackson and Charlie Thompson (Club President); **BACK ROW** (standing left to right): Bill Spence, Bill McKenzie, Stan Clough, Jim Grierson, Brian William, Tom Gough and Bill Hansen.

## Altona Little Athletics Walkathon

Bob Gardiner, Australian and Commonwealth 50 kilometre walking champion, will walk with 250 little athletes, parents and friends in a five mile walkathon this Saturday, November 1.

They will commence walking at 2 p.m., starting and finishing at the Civic Offices.

As well as the championship titles, Gardiner holds the Commonwealth 50 kilometre record and won the Victorian 2 mile championship.

Before the Walkathon commences he will give a two lap demonstration of race walking.

Citizens of the City of Altona are being asked to support the walkers by sponsoring them.

## NEW CRICKET PITCH

A cricket pitch is to be laid on Rush Reserve for use by 14 teams in the local junior competition being sponsored by the Altona Cricket Club.

Last year the four teams in the competition played on Ford Reserve and Grant Reserve.

Six teams have entered the coming season which commences on November 1.

As the increase in the number of teams caused a shortage of cricket pitches the Altona Council for a pitch to be laid on Rush Reserve, similar to the existing one on Ford Reserve.

Last night council agreed that a stone dust pitch be provided at an estimated

## Altona & Canberra

It's a long way from Altona to Canberra.

It is a much longer road from Canberra to Altona.

It is easy to centralise our thoughts on Canberra — its lakes, its beautiful significant buildings and the Houses of Parliament.

It is not so easy for our elected representative at Canberra to think in terms of Altona.

Dr. J. F. Cairns has been chosen by the people of Altona and the other parts of the electorate.

He must and will think nationally.

Altona to him is but part of his electorate, part of Victoria. Part of the Commonwealth of Australia.

But to an extent, Altona and all other communities on the continent are or will be considered by all the members of Parliament.

The interests of Dr. Cairns in the various parts of his electorate are diffused against his large responsibilities. On the other hand, all those at Canberra have on their minds, thoughts if not of Altona, of places just like Altona. Thoughts of people and the average person in places much the same as Altona.

Some of us may think that Altona has particular problems or aspects for special consideration. The longer view of course, is that what is good for Australia is good for Victoria, is good for Lalor and is good also for Altona.

### Junior Council Concerned Over Thefts

Thefts and vandalism are causing increasing concern to the Altona Junior Council. A formidable list of such matters was compiled from various primary and secondary schools.

Seven reported theft or vandalism. Some schools have been forced to take expensive precautions to prevent these offences.

Detailed reports are as follows:—

**Altona North Technical School:** The Junior Council reported that 5 breaking and enterings had occurred at the school's canteen, and that 4 had been reported at the school building itself, and also a Television set had been stolen from the school on one occasion.

**Altona North High School:** The Junior Council reported that there had been 11 breaking and enterings at the school in the period January 1968 to May 1969. Items of school equipment etc., to the value of \$2934.94 had been stolen.

**Brooklyn West Primary School:** The Junior Council reported that in 1968 there had been an attempted fire, in 1969 during the last week of Christmas vacation a Television set had been stolen but had been recovered by police, during the first term in 1969, a week-end, breaking and entering, small items stolen.

**Altona East Primary School:** The Junior Council reported that there had been 5 breaking and enterings over the past 2 years and on one occasion a tape-recorder had been stolen as well as small items.

**Altona North Primary School:** The Junior Council reported that there had been one theft this year at the school.

**Altona High School:** Reported that there had been 4 breaking and enterings during the last two years. Sewing machines had been stolen and valuable science equipment.

**Seaholme Primary School:** The Junior Council reported that there had been thefts at this school and small items stolen.

### Guides Pioneer Day

What a day to remember for Kay Murphy when she was selected Miss Personality by the scouts at the combined Pioneering and Jamboree of the Air Day at the Pines, Altona, on October 18.

Guides of the Region took part in the Pioneering Day organized by Mr. Kevin Smith of Pascoe Vale South, and Mr. J. Fawcner and the boy scouts of 4th Footscray Scout Troup.

The Pines was the site of vigorous activity as girls, working in patrols of six under a Patrol Leader undertook the challenge set them by Scouters. The Scouts manned each stunt allotting marks and, unbeknown to the Guides, cast a vote for Miss Personality Guide.

Activities included making gadgets such as 'model bridges, coat hangers and rotary clothes line.' Rope ladders had to be climbed; rope stretchers were made and tested by having a patient carried in them; fun was had going up and over scramble nets. Along with the erection of a flag pole, large trestle bridge and a rock crusher, there was a game of skill in manoeuvring a tin with ropes from 'radio active' (!! ??) material which caused a great deal of fun. The highlight being Guides hauled in a chair knot (used by firemen for rescue work) at least 20ft.

up a tall pine tree and having to hit a gong with a stick which was attached to the top of the pine. Cohuna Patrol, under the leadership of Mrs. Newport, Captain of 2nd Newport Guide Coy., gained the most points for their work. Mr. Whittle, District Commissioner for Footscray, presented to each member of the patrol a small inscribed shield on a wooden base as a memento of their day at The Pines.

Region Commissioner Mrs. Carlyon, thanks Mr. Smith, Mr. Fawcner and the scouts for all the preparations and interest which made the day a memorable one for the Guides.

### LALOR ELECTORATE

Dr. Jim Cairns has been elected to the seat of Lalor in the Federal Parliament.

Though Lalor was considered safe for Labor, Dr. Cairns must receive full credit for his successful efforts to make himself known to residents of the electorate.

Mr. J. Bacon did not achieve the honour of reaching the highest D.L.P. Vote in Victoria. That was obtained by Mr. H. J. Darrock of Batman with 7298 votes. However, Mr. Bacon, with 6733, gained the highest percentage 14.1 per cent. The State average was 10.38 per cent.

Informal votes in Lalor were not good. Only one other electorate, Melbourne, 6.8 per cent had a higher percentage, then Lalor with 5.95 per cent. The State average was 3.16 per cent.

It is probably only of accidental significance that the electorate of the erstwhile rivals, Dr. Cairns and Mr. Arthur Caldwell, were so associated.

### C.R.B. WORKS

Further work on the Lower Yarra Freeway and widening of both Princes Highway and Ballarat Road within Footscray are included in the 1969/70 works programme of the Country Roads Board.

Work will continue on the construction of four miles of freeway between the Princes Highway West and Williamstown Road to link with the new West Gate Bridge.

At the same time a short section of freeway is to be developed in Port Melbourne and some existing roads in Port Melbourne and South Melbourne will be improved to serve as feeder roads to the freeway.

Princes Highway between Nicholson Street and Gordon Street, is to be reconstructed and widened to provide six laneways.

Ballarat Road, between Princes Highway and Farnsworth Avenue, is also to be reconstructed and widened.

THE ALTONA APEX CLUB

are once again organising a

### BUY A POPPY

Since its inception in 1921 Poppy Day has become an established institution and although the Red Poppy, as a symbol of Remembrance, emerged from the mud and grime War 1 battlefield of Flanders, Remembrance Day and the Poppy now encompasses all wars in which Australian troops have served.

On two occasions each year the Victorian Branch of the Returned Services League makes an appeal to the public so that it may carry on its vital Welfare work.

The Poppy Appeal of 1969 to be conducted throughout Victoria during the week proceeding the 11th November is a major effort in this work.

During this week, and especially on Friday, 7th November, voluntary helpers will ask the people of Victoria to buy the Red Poppy of Remembrance.

When you part with your 20c, \$1, \$2 or whatever it may be, you don't have the chance to win a car, or a trip to the Gold Coast.

You will however have that warm and pleasant feeling which comes when you have really helped your fellow man because it has become traditional that the Poppy Appeal should benefit those who suffer as a result of war service.

The funds derived from the Victorian R.S.L. Appeal are devoted to the care of ageing War Veterans, elderly Returned Nurses and dependants.

This year the Poppy has a bigger job than ever before. The R.S.L. needs \$275,000, to maintain 750 residents in existing Homes, Hostels, Cottages and Flats and to build urgently required additional accommodation.

Money is needed for Child Health Service, Vocational Guidance, Youth Activities.

For relief of distress and aid to the bereaved and incapacitated.

For bringing comfort to

those in hospital, arranging outings etc. for mental patients.

There are so many who need help: some with shattered minds and nerves; many who will live shortened lives because of the grim experience of war.

We can honour the memory of the fallen, and in some small measure recognise the debt we owe, by simple token.

It is hoped that every Victorian will make it his or her pledge to wear the Red Poppy, and Remember.

## Val's Column

Hello Girls,  
Sensitive skin? Jealous of your friends when they talk of their experiences with cleansers and toners, you have had nothing but nasty experiences.

Yes we do have to be so careful, Dry, sensitive and mature skins need special handling but we seem to miss out on that tingling sensation, that cool feeling, that lighter than air longing, like we hear our sisters speak of.

Neo Juvex by Cyclax understand your need and have given us a whole range. The cleanser is rich and luxurious, making it a marvellous grime remover, lifts eye make-up and lipstick, tissue it off. It leaves you clean with no greasy feeling, yet no loss of your valuable oils.

Now use Neo Juvex Toning Lotion - this again is especially gentle just for you. It removes any residue of cleanser, refines your pores and improves skin tone. Yes you get that lovely astringent action, but so gently and it doesn't sting sensitive skins. Then as hot days arrive, use your toner as a fresher.

Neo Juvex Cream for the face is a rich nourishing cream, extra rich but no, never greasy. Caress it on, and it disappears, ever so beautifully.

Please let us show you the Neo Juvex range.

Eternal Spring is the Cyclax range for skin that shows "drying out" - Remember! Put back that "plumpness".

But there are skins that need that extra special thought given to it. If this is you, you now have a friend - in Neo Juvex.

More and more gifts rolling in. Have we put some away on Lay-by for you?

Making the most of the sunny days sun-baking? Get in a supply of Sun tan oils and creams. Put them on often to keep hold of that colour.

Bye

Jenny Davidson, of Altona North, rounded off an excellent athletic season by winning the girls under 15 long jump with 17' 3", 18" further than the second place-getter.

Jenny finished second to P. Boak—whom she beat in the Victorian schoolgirls championship final two weeks ago—in a photo finish which took the judges several minutes to determine the placings.

Winners from Altona High were Mary Wylie in the under 14 high jump with a leap

of 4' 6", and Glen Hancock with a jump of 4' 10" in the under 13 high jump.

The other placegetter from Altona High was Geoff Stevenson who finished third in the boys open javelin.

Other placings by Altona North High students were—Giannina Sardi gained a third placing in the under 14 long jump with a leap of 15' 4" and finished fourth in the 70 metres and fifth in the 100 metres.

Three other bronze medals were won by—

Karen Honeyman, who came third in the girls under 17 high jump with 4' 7".

Manfred Rokkammer came third in the boys under 16 javelin, throwing 143' 9", only 5' short of the winning throw.

The boys under 13 relay team, comprising of Ron Waters, Andrew Cox, Warren Ackerley and Tom Piereas, finished third in 54.1 seconds.

The Western Division team acquitted itself quite admirably against the other divisions, finishing fourth in the overall aggregate to Central Division.

MEETING IN THE  
CIVIC HALL**

The "Control of Entry" plan of the Victorian Secondary Teachers Association will be discussed from various viewpoints at a meeting in the Civic Hall this Friday, October 31, at 8 p.m.

The purpose of the meeting is to hear speakers for and against the VSTA "Control of Entry" policy.

Speakers will include representatives of the VSTA, the Victorian Teachers Union, the Education Department and the Victorian Council of School Organisations.

The evening which is open to the public is being sponsored by the Parents and Citizens Association of Altona North High School.

The Association feels there is an urgent need for parents to become more enlightened on this question which has caused difficulties at various secondary schools and is of vital concern to pupils and parents.

Less contentious is the general agreement that there is a need for a teachers training college in the Western Suburbs.

A petition to this effect will be available for signing in the hall near the entrance doors. It is hoped that those attending will avail themselves of the opportunity.

**POST EARLY  
FOR OVERSEAS**

Mr. G. N. Smith, Director of Post and Telegraphs, announced today that Christmas letters and greeting cards intended for despatch by sea to Ireland, United Kingdom, Canada, and the United States of America should be posted in time to reach the General Post office Melbourne by 9 a.m. on November 18.

Packet, newspaper and parcel mails for these countries close at Melbourne at 5 p.m. on November 17 with the exception of Canada which closed on October 26.

Mr. Smith stressed the need for correct addressing and reminded senders to give special attention to the packing of fragile articles.

Perfumes and other items with liquid contents should be packed in sufficient absorbent material to absorb the contents if they are broken in transit.

It is competent for the council to specify conditions under which the service station would be permitted and issue a Notice of Determination accordingly, or for that matter, it is competent for the council to determine that the application conflicts with the council's Planning Scheme and cannot be granted.

## VISITORS TO SQUARE DANCE

The Altona square dancers gave a very warm welcome to the former caller, Barry Aitken, his wife, Dianne and family, who are holidaying in Victoria. Barry proved he had not lost any of his skill by calling during the evening.

Altona dancers had another enjoyable night on Friday when they went along to the Melbourne High School dance, arranged by Les Schroder.

The Altona square dance is held every Thursday night in the Youth Club Hall, Civic Parade from 8 - 11.15 p.m.

## St. Mary's Little Athletics News

St. Mary's Little Athletics Club held an interesting meeting last Saturday, with all the children improving their times considerably.

Children are asked to remember the walkathon on Saturday, November 1, at 2 p.m. All club members are asked to return their walkathon forms, filled with sponsors, as soon as possible.

The walkathon is being held to raise money for the Altona Centre, which in turn benefits every club, so a special effort is needed.

All club members and their parents are urged to help raise money for the Centre.

## LETTER TO THE EDITOR

Dear Sir,

We are sponsoring a Public Meeting on Education at Altona Civic Hall on Friday, October 31, at 8 p.m.

One of the main objectives of this meeting is to hear the Victorian Secondary Teachers' Association representatives views on the very controversial subject: "Control of Entry". We feel that many parents need to be enlightened on this matter, which has been the cause of many strikes in our secondary schools.

Also speaking at the meeting will be a representative of the Victorian Teachers' Union, the Education Department and the Victorian Council of School Organisations.

A petition re the urgent need for a Teacher Training College in the Western Suburbs will be placed near the entrance at this meeting and we urge all who attend to sign. It is no secret that the Education Department is considering sending the next intake of student teachers from this area to Geelong next year. We consider a training centre in this area is long overdue and with the completion of the Westgate Bridge in the near future and the subsequent expansion of the Western Suburbs, it will become even more essential.

It may interest you to know that 23 of the 46 matriculation students at this school have applied for student teachership next year.

Yours sincerely,  
(Mr.) A. N. PEAKE  
High School Parents & Citizens Committee.

## CALLING PAST PARENTS OF SEAHOLME STATE

Arrangements are at present being made for the Official Opening of the Seaholme School Library by the Hon. L.H.S. Thompson Minister for Education, on Friday, 5th December.

It is the desire of the School Committee that as many past parents and ex-members of the Committee and Mother's Club as possible be present on this occasion. There may be many of these who are unknown to the present Committee and it would be appreciated if people who have had past connections with the school and would like to attend could communicate with the School Principal so that invitations can be issued.

## CAMERA CLUB MEETING

Altona Camera Club's meeting last Friday was well attended. The President, Jim Merrills, led a discussion on the subject of spotting prints and the care of negatives to avoid dust and scratches.

At the next meeting the judging of the October competition, the theme - "Portrait", will be held and the results announced.

The Club meets every Friday night of the month (except the first) in the Homestead, Queen Street, at 7.30 p.m.

## BIRTHRIGHT MOVEMENT RECEIVES SUPPORT

A number of well-wishers have given support for the work of the Australian Birthright Movement following recent publicity.

It was reported how the movement was assisting widows, deserted wives and other mothers left with children to bring up.

The story of the work was recounted by the organiser in the Western Suburbs, Mr. Allen Heriot, of Altona West in a talk to Altona Lions Club.

Three organisations have since made donations. They include Altona Apex Club, which gave \$40 after hearing Mr. Heriot as guest speaker at an Apex dinner meeting.

Two men also have offered their services as counsellors. One, a Yarraville family man, is now assisting in the Western Suburbs and the other is acting likewise at Nunawading, to which he recently moved.

"We are finding it difficult to provide counselling services for all families who need them," said Mr. Heriot recently. "There are now 30 families on the books in the Western Suburbs, with seven counsellors."

"The Australian Birthright Movement also has a group of some 30 ladies, Melbourne-wide who are interested in forming an auxiliary. A meeting will be called in the city."

Mr. Heriot said that he would invite inquiries, particularly from prospective counsellors. He could be phoned on 398-1414 (home).

Fifteen girls from nine to 13 will be provided with a Christmas holiday in camp at Portsea under the auspices of the Australian Birthright Movement.

The supervisory staff will include an 18-year-old Braybrook girl.

The girl, herself a ward of Legacy, offered to assist with the children after reading about the movement.

The Braybrook teenager said in offering her services that she wanted to do something to repay the help she herself was given by Legacy after her father died.

It has now been arranged for her to act as a group leader at the Lord Mayor's Holiday camp from December 29 to January 9. She will look after 15 girls from nine to 13, who are helped when possible by the Australian Birthright Movement.

## TABLE TENNIS SUMMER PENNANT 1969-70

The Table Tennis Centre, in Gar-  
den Street, Williamstown, is a hive of  
activity this week, with competition  
matches on every night of the week,  
from Monday to Friday.

Sixty teams, in ten grades,  
will meet in keen but  
friendly combat in the open-  
ing round of a ten round sea-  
son, which will end in Feb-  
ruary 1970 with the top  
teams playing off for the  
elusive honor of winning a  
premiership pennant.

The competition covers  
players of all standards of  
ability. Novice players com-  
mence in E or D Grade and  
earn promotion up the ladder  
to A Grade on performance.

The Association was form-  
ed in 1934 with one grade  
of eight teams and about 30  
players, and one season per  
year. Today it encompasses  
120 odd teams, 500 players  
and two seasons per year.

In addition, quite a num-  
ber of other people play  
table tennis socially for rec-  
reation and relaxation, and  
various schools use the facili-  
ties at the Centre for  
sports afternoons.

Table tennis is probably  
the ideal sport for talented  
youngsters as it is possible  
to advance from a beginner  
to an expert in one year of  
competition.

Coaching is available for  
beginners and intermediate  
players on Saturday after-  
noons, or otherwise by ar-  
rangement with officials at  
the Centre (397-7681).

For those eager to ad-  
vance rapidly, there are

## ALTONA GAIN FIRST INNINGS WIN ONLY AGAINST SPOTSWOOD

Resuming at 5 for 115 Altona anxious to add quick runs in the hope of obtaining an outright victory against Spotswood struck trouble against some very tight bowling from Bill Gunn and Arch Perrusich and in the space of an hour had lost their remaining five wickets for 26 runs, thus providing a first innings lead of 79.

Unfortunately Frank Kirk was unavailable until afternoon tea and with David Murphy injured, the attack was rather depleted, nevertheless Dick Conradi and Jim Page did their best to dismiss the Spotswood batsmen. This, however, became harder to do as the day went on with absolutely no assistance coming from the wicket.

Spotswood, content to play out time, compiled 6/171 at stumps with Ron Vines scoring a rather chancy 96.

Mention should be made of two catches taken during the Spotswood innings, one by Jack Deller to dismiss Bill Gunn and the other by Frank Kirk to dismiss Ron Vines. Both of these catches were first class and certainly deserved the acclamation they received.

## B GRADE DOWN OUTRIGHT

Melbourne Harbour Trust won the toss and batted, it soon became evident that they had many good batsmen in their line up, and although the Altona team had lost their previous two opening bowlers to the "A" Grade, Graham Cox and Gordon Wilson bowled exceptionally well against the MHT batsmen.

They were well supported by the slow bowling of David Chalmers, Bob Harrison and Ron Cook. The Altona fielding left a lot to be desired as several catches were dropped, but even so MHT were dismissed for a total of 136 runs.

Altona batted and could only manage 57 runs, leaving MHT in a good position to force an outright win, which they proceeded to do by going for quick runs in their second innings. It was evident again that the Altona fielding must improve to hold other top teams to a low score.

MHT declared at 3/61 and left Altona 141 runs to win in approximately 124 mins. Most of the Altona batsmen applied themselves a lot better in the second innings and should have gained valuable match practice in batting under pressure conditions.

Fifteen minutes before the end of play Altona were all

out for 75 runs. A very sound innings was played by F. Thomas for 34 and young Tony Paone hit up 14 runs and gave a hint that in the future with more experience he will make many more.

Altona lost this match in the first innings with a poor batting display, but as the season progresses this should improve as players gain more experience and confidence.

## OUTRIGHT WIN TO CLUB XI

The Altona Club XI gained an outright win at the expense of Laverton II to give them their second win for the season.

Whilst they have had a most encouraging start the boys must realise that there are harder matches to come and more concentration and dedication will be required against the top sides.

Last Saturday in Laverton's second innings, Bruce Grant bowled steadily on an unresponsive wicket to start the fall of wickets, then Noel Michael, used his experience to put Laverton well on the way to outright defeat.

Needing only 58 runs to win Altona started badly losing three quick wickets, but steady batting by Michael and Patton saw Altona's score pass Laverton's without further loss.

## A.C.B. CRICKET RESULTS

Australian Carbon Black gained points for a first innings lead, but lost the match outright to Buckingham 100F.

With good bowling and fielding ACB dismissed Buckingham for 56 in the first innings (Holton 5-10, C. Dutton (keeper) 3 stumpings, J. Mannagh 2 catches). However, during the second innings the fielding became worse and catches missed and the bowlers were not able to penetrate as in the first innings.

ACB attempted to prevent the outright defeat by playing out time in the second innings, but the bowling was too good and consequently Buckingham won with 15 minutes to spare.

**BATTING for ACB G. Harrington made 25 and 11, G. Nash 16 and 13 n.o., M. Strahan 15, and K. Harris 11.**  
**BOWLING:** C. Holton 5-10 and 2-65, G. Nash 1-18 and 4-45, M. Strahan 1-14.

## OUTRIGHT WIN FOR C GRADE

North Melbourne City, resuming at 4/49 in their second innings, were in immediate trouble when Ron McCullagh, who had taken nine wickets the previous week, obtained another two in two balls without addition to the score.

Maurie Crichtley, from the other end, was also bowling with plenty of life and he too began to get wickets to send North Melbourne reeling from 4/49 to all out for 66.

Congratulations must go to both Ron and Laurie for the way in which they bowled, obtaining 18 wickets between them, 13 of which were bowled.

Altona required 57 runs to win the game outright and had no trouble in obtaining these runs from 13 overs, with captain Joe Grassby batting well for 37 not out.

## SCHOOL AID GROWING

Schools throughout the Western Suburbs have over years, shown a growing interest in their Footscray and District Hospital. Teachers at these schools have spared no effort in making their pupils aware of the fact that the Hospital, although based at Footscray, serves the whole of the Western Suburbs as a general hospital.

About 12 months ago, almost every school in the Western Suburbs participated in a special project to equip 2 new wards. The \$8,500 to which the schools contributed a fair share. Due to building delays, these new wards will not be occupied possibly till late this year or early next year.

Hardly a week goes by without a cheque from a school is received at the Hospital.

Currently running during October, the Egg Appeal looks like breaking all records and schools are making a special effort to beat "the other side of town" hospitals which got the most eggs from the Egg Appeal each year.

**Recognition:**

The Hospital Board of Management conferred life Governorships on these schools and the recipients received them on behalf of the School pupils, and teachers.

## Windy Conditions for Yacht Racing

Yacht racing at Altona was postponed from Saturday to Sunday last weekend.

Woomera, winner of the hornet section, was the only yacht in this class not to capsize during the race but its success was mostly due to the teamwork of skipper and crew.

The Grieve-Philp combination sailing Woomera already has made great advances this racing season.

This weekend saw the re-appearance of the now vastly modified 16-year-old hornet "Duette". It will be interesting to watch how this yacht fares against the newer and improved hornet of this year.

Over the years, to avoid the fate of so many forgotten designs, this class has been keeping up with latest developments.

Changes introduced include

trapeze, genoa jib and a lighter minimum weight.

The well timed change in hornet design ensures continuation of the future of this class.

A good wind on Sunday helped with the following results—

## HORNETS

1st, Woomera (J. Grieve, D. Philp); 2nd, Laphil (J. Philipps, L. Laker); 3rd, I.D.H. (A. Henshall, W. Henshall).

## HERONS

1st, Pee-Wee (J. Grieve, P. Haynes); 2nd, Stelynka (S. Bulmer, M. Purdy); 3rd, Almark (A. Balish, M. Balish).

## G.P.14's

1st, Whistable (B. Smith, K. Smith); 2nd, Myra (J. Horn, T. Horn).
